KEARNEY

Is Appointed to General Superintendent of the Baltimore and Ohio System.

(SPECIAL TO THE TELEGRAM) BALTIMORE, June 27.—The appointment of J. R. Kearney to the office of general superintendent of transportation of the Baltimore and Ohio system, embracing the Baltimore and Ohio, Baltimore and Ohio Southwestern, Cincinnati, Hamilton and Dayton, Staten Island and the Sandy Valley and Elkhorn lines, is announced in a circular issued by Vice President A. W. Thompson, the chief operating officer of the company. The appointment is effective July 1.

Mr. Kearney is promoted from superintendent of transportation to

general superintendent of transportation, succeeding the late C. C. Riley, whose death occurred last winter. The new appointee has been superintendent of transportation since September 20, 1910. His railroad service has been varied and extensive in the various branches of railroad operation.

James R. Kearney was born March 29, 1859, and after attending the public schools at Altoona, Pa., entered railway service in 1876 as a clerk in the car record office of the Pennsylvania railroad, at Altoona. From March 1, 1880, to May 1, 1881, he was employed in the car record office of the Illinois Central railroad, and from May to November, 1881, was car accountant of the Illinois Midland railroad. Returning to the car record office of the Illinois Central, he remained until May 19, 1882, and from that date until May 1, 1889, he was successively clerk and chief clerk of the car record office of the St. Paul, Minneapolis and Manitoba and the Great Northern railways, at St. Paul. Mr. Kearney resigned from the western road to enter Baltimore and Ohio service as superintendent of car service, which position he filled until he was advanced to superintendent of transportation.

INDIAN

Frank Mt. Pleasant May Be Chosen as Wesleyan's Athletic Director.

BUCKHANNON, June 29.—Frank Mt. Pleasant, quarterback for the Carlisle Indian school football team for four years, unanimously selected as All-American quarterback in 1907, a member of the crack United States Olympic team which carried off the honors at the Olympic games in London in 1908, and for three years coach of the crack Indiana Normal athletic director will in all probability be athletic director at Wesleyan College during the year 1914-15 unless there is some unforeseen hitch.

Mt. Pleasant will succeed J. L. Felton, of Dickinson College, who has held the position for two years, and will come to Buckhannon within a short time to close up the details of the transaction.

Mt. Pleasant is one of the most widely known and capable coaches in the country and should he come to Wesleyan will undoubtedly be a great boon to the teams.

FIRST USE OF RESINOL STOPS TERRIBLE ITCH

Jan. 27, 1914: "I suffered over eight years with eczema. It started in one little place and kept spreading until it covered my hands. My hands looked like they had been burned by fire and peeled off in large pieces until they were only raw flesh. I was told it was eczema. It itched and burned me so that I could not sleep at night. I tried all sorts of eczema salves and one prescription after another but nothing gave me any relief until I tried Resinol Soap and Resinol Ointment, and after the first application my hands never itched or burned again, and were well in one week. I want every sufferer from eczema to know that they can find a cure in Resinol." (Signed) Miss Ethel Scott, Milledale, Ga.

Physicians have prescribed Resinol for nineteen years for all sorts of skin troubles, pimples, dandruff, sores, ulcers, burns, etc. Every druggist sells Resinol Ointment and Resinol Soap.
